Dear Mr. Woolley:

Congratulations! You have taken a major, initial step toward achieving your **ISO 9001:2008/No Design** goals.

Your selection of an accredited **ISO 9001:2008/No Design** registrar signifies that your company is serious about attaining certification by **2nd quarter 2011**. This most important decision brings your firm one step closer to demonstrating its commitment to quality, and proving to your customers that **H & R Industrial** can meet their standards.

Upon completing the registration process, you will be issued an official certificate bearing the seals of the appropriate accrediting bodies. These could potentially be used by your company for advertising, promotional literature and stationery. Thank you for choosing Perry Johnson Registrars as your official **ISO 9001:2008/No Design** registrar. Should you have any questions between now and the time of your assessment, please don't hesitate to call. Please note that this document is not valid after **2nd quarter 2011**.

Sincerely,
